Since the first announcement of the early candidates in the Maysville Daily Bulletin-Public Ledger's great popular voting contest the interest has increased, and is becoming more widespread every day. This interest is growing with each announcement, and more candidates are being put forward by admiring friends.

It is an honor to any young woman to be selected by her friends and relatives, and to be nominated as one of the contestants in the Daily Bulletin-Public Ledger's voting contest. It is a pleasure to the Daily Bulletin-Public Ledger patrons to be put in a position to favor their friends and acquaintances by voting for them. The list is still open, and it is desired that every one who may wish to enter the contest make the necessary nomination at once, as it is an advantage to get an early start. Nominations may be made in person or by mail. You can nominate yourself or a friend, using for your convenience and that purpose the blank published in these papers. It costs absolutely nothing to maintain or vote in this contest.

The votes of the patrons of the Daily Bulletin-Public Ledger by which the list of magnificent prizes will be awarded are absolutely free. That is one of the features that insures the Daily Bulletin-Public Ledger's popular voting contest. The greatest in the history of the prosperous northeast and offers the women of Northeastern Kentucky an opportunity that has never been equaled.

**Nominated By Friends**  
In nearly every case nominations have been made by the friends of the candidates, or were made by candidates themselves it has been upon the suggestion and solicitation of others. This proves beyond a doubt the high standing of the candidates and that they are representative young ladies in their various districts.

Voting is not restricted in any sense whatever. Anybody may vote as often as he pleases and for whom he pleases, no matter from what county or district the lady may be entered. This is a voting contest and the young ladies receiving the largest number of votes will be awarded the prizes.

Unlike other contests, this affair pays in value for every cent invested. Votes are not purchased at so much each, but for every cent received by these papers, a cent's worth of value is dealt out in the news of the world. It is an investment rather than an expenditure, and no one should consider it in the light that money paid out is money thrown away.

The ballots to be used for voting are secured by subscribers for the Daily Bulletin-Public Ledger the leading newspapers of Northeastern Kentucky. Those who are already subscribers to the Daily Bulletin-Public Ledger may secure votes by making payments on subscription, whether in advance or in arrears. Every subscriber is entitled to votes, and they can be secured when payments are made.

Candidates can solicit the payment of subscriptions and also solicit for new subscribers. As fast as payments are made they should be sent to the Contest Department and credit will be given. Candidates who desire can call on the Contest Department in Maysville, where they can procure all necessary subscription blanks and the contest manager will take pleasure in explaining everything not entirely clear. If it is not convenient for you to come to the office call up the contest manager by phone, give your name and address and he will be glad to call and see you.

Contestants should remember one thing: In each of the two districts we will give absolutely free—One automobile.

one Victrola, one diamond ring and \$100.00 in gold.

These prizes will be given absolutely free to the young ladies of Maysville and other district. All that is necessary to be a winner is to be one of the first seven in your district when the votes are counted. The ladies to receive these prizes will be determined by popular vote, as explained elsewhere in this paper.

If there is anything concerning the contest you do not understand write to the Contest Manager. There will be a short writeup in this paper every day from now on to the end of the contest, and those interested can keep in close touch with the contest and competing candidates. Certain it is that fourteen ladies of Maysville and surrounding country are going to get one each of these magnificent rewards, and it is left to the readers of the Daily Bulletin-Public Ledger to decide.

**How Territory is Divided**  
District No. 1 will include the territory in the city of Maysville, the entire six wards.  
District No. 2 will cover all the towns in Mason county and territory outside the county and state.

Anyone who desires to vote in this contest may do so by coupons and nomination blanks clipped from the Daily Bulletin-Public Ledger and by special vote ballots obtained by subscribing to the Daily Bulletin-Public Ledger. The ballots secured by subscribing to the Daily Bulletin-Public Ledger may be held as long as desired and voted at any time up to the close of the contest, but coupons cut from the Daily Bulletin-Public Ledger are only good for ten days from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district but may vote for anybody in the race.

This affords the young women of Maysville and outside territory an excellent opportunity to receive valuable presents.

### Instructions for Voting

Get the young lady to enter her name and then vote for her. Those who get in on the start have a better chance to win, so it is desirable the name be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of the Daily Bulletin-Public Ledger. Enter your name and your friends will vote for you. You will be surprised to see how rapidly the votes will come in, and what little effort is necessary to win one of the rewards offered. Get in at the start and encourage your friends to vote for you; the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

**Write For Information**  
If you do not fully understand the proposition or if there is any information you desire about the details write to, or call on the contest manager. He will take pleasure in giving you the data you desire, and if you will fill the nomination of yourself or some friend he will send the candidate the necessary blanks and forms with which to conduct the canvass for free votes.

**Unpaid Subscriptions Count**  
All subscribers to the Daily Bulletin-Public Ledger who are in arrears on their subscription account and who settle same, are entitled to votes according to amount paid. When you pay your subscriptions be sure you receive the votes to which you are entitled.

**How to Win**  
Any young lady who desires to enter this contest and win one of the magnificent prizes offered should see that her name is sent to the contest department.

Candidates should at once interest their friends in the contest, and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon will count 20,000 votes for a candidate.

The nomination coupons will only appear for a few days and only a limited number of nominations will be accepted. Cut the nomination blank from this issue and send it to the contest manager with your name or the name and address of your favorite candidate. A subscription is not necessary, but a good start means much. The name of the person making the nomination will not be divulged, if so requested.

Any lady residing in the territory hereafter mentioned is eligible to compete in this contest.

**Open Evenings**  
For the benefit of those who are able to get to this office during business hours, the contest department will be open every evening until 9 p. m.

### FARMERS' CHAUTAUQUA OPENS SUNDAY AT GERMANTOWN

The Farmers' Chautauqua opens Sunday morning at Germantown and it promises to be one of the most instructive events ever held in the interest of the farmers. While the chautauqua has been arranged by Mason, Bracken and Robertson counties the management wishes to make it very plain that the event is for the benefit of all counties and anyone from anywhere is welcome. The managers sincerely hope that many farmers will give them the opportunity to demonstrate that welcome.

The program opens Sunday morning with a union Sunday School service and as Mr. Harry C. Curran is to be chairman of the day the success of this service is assured.

During the chautauqua in all probability the Jeffrey Lime Pulver Co. will demonstrate their appliances and the Wheeling Mould Foundry Co. are expected to make demonstrations. If the management succeeds in getting these demonstrations it will add to the already interesting and instructive program.

Every farmer who can should attend. The place is Germantown and the date August 1, 2, 3.

Customers were delighted with their shoe bargains from Barkley's. We have it every day, more bargains Saturday.

## A GREAT REDUCTION

In going over our stock we find that we are OVERLOADED, and have decided to REDUCE STOCK, and it goes at cost.

This space will not permit us to list it all. One great bargain is 100,000 feet of an EXCELLENT GRADE OF OAK SIDING. This goes at \$2 PER HUNDRED. All other yard stock greatly reduced.

Don't miss this opportunity to get what you want in lumber and building material at the lowest prices ever known in Maysville. Terms at this reduced price are CASH.

### SPECIAL NOTICE TO CANDIDATES

Contestants who desire to have their scores show an increase would do well to vote their ballots not later than noon on each Monday and Tuesday during the contest. Both the Daily Bulletin and Public Ledger will print the standings of the contestants each Tuesday and Friday.

### DOUBLE HEADER

On account of inclement weather, the ball game between Maysville and Brenton was called off Friday and a double header will be staged today. The extra bill being given to take place of the game called off Friday. As this is the first double bill of the season the fans should attend en masse, and root for the home club. Our boys are going like a house afire and it is well worth the price of admission to watch them walk away with the game. Big John Singleton will work in one of the contests, assuring the fans a good game. Brockley will probably occupy the mound in the other. Myers will be on the hump for the Nallers in one of the contests while Lavender will toss the pill in the other. Manager Devore will show some more of his newly purchased material today and every one should be out giving the new players the glad hand. Frankfort will be the attraction Sunday and as the team is feeling for first place a big crowd should be out to see our boys take the Lawmaker's measure.

### CAMPERS RETURN

Mr. James Buckley, Mr. Tom Heffernan and Mr. Robert Bruce Willocks who have been camping at Bowles Ferry, Ohio, for the past few days have returned. The boys declare they had the time of their lives at that resort and recommend the place to their friends.

Mr. Lowry Orr let the contract for his new residence to be built on East Second street. Contractor James E. Dawson is the successful bidder.

Mr. Jacob Hultberg, of Cincinnati, is in this city this week visiting Mr. and Mrs. Charles Rosenstien, of East Third street.

### LOST, STRAYED OR STOLEN

The officials about the Court House are puzzled over the disappearance of the box of incense peaches from the auto occupied by Jailer John W. Ellet, Chief of Police Mackey, Deputies Mike Brown and George Laycock, Thursday afternoon.

The genial jailer hought the fruit while whisking over the roads of Mason county in the aforesaid machine. The party drove up in front of the establishment of Mike Brown in East Second street, and while they were inside some one stole the peaches.

Of course every one of the party heard to remark, "It beats all to have been peevish to a certain extent, but our big jailer was the most wrathful as have a Chief of Police and two sheriffs the only thing he likes better than with you. The next time I go out peaches is more peaches. After a prolonged hunt for the stolen fruit to have a company of militia along to the search was given up and Ellet was watch the peaches."

GERMANY MAY IGNORE U. S. NOTE  
Berlin, July 29.—The German press is practically unanimous in advocating that the government ignore the American note on submarine warfare and refrain from further diplomatic exchanges on the subject.

The Koelnische Zeitung advises the government not to answer the American note. At the same time it prints a letter from its Washington correspondent which says that American mediation between the warring nations of Europe is impossible.

"This opinion is shared by Germany," the Koelnische Zeitung adds. The Vossische Zeitung, which usually speaks authoritatively, declares that the government has resolved not to answer the American note for the present.

**A CONFESSION**  
Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Lula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight.

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the woman's constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, "Hints for Women." Sent in plain wrapper. No cost.

## MAYSVILLE'S COURT

Squire Bauer found the following parties guilty:

Ed Hoops, drunk, \$5.15; Ed hired a buggy from a local livery barn and took a ride. He failed to return the buggy at a reasonable hour and Constable James McNamara was sent to find the missing rig. He located the outfit near the home of Mr. Jack Welsh in the western part of the county with Hoops lying drunk on the side of the road.

Grover Cleveland Lacy was handed \$5.55 for the breach of peace.

**SIGNS OF DANGER**  
That Should Be Heeded By Maysville People.

There's serious danger in neglecting any weakness of the kidneys. The warning that Nature gives should not be overlooked. If troubled by too frequent passage of the kidney secretions; burning or scalding; if the secretions are highly colored and contain sediment when left standing—if you have backache, too, with frequent headaches and dizziness, make up your mind that your kidneys are affected and begin using some reliable kidney remedy. Deaths from kidney disease have increased in the United States alone, 72 per cent in the last 20 years. The risk is too great—you can't afford to delay. Maysville people recommend Doan's Kidney Pills. Can you ask for better proof of merit than the statement of this Maysville resident?

W. F. Lynch, 127 West Third St., Maysville, says: "My kidneys were weak and the passages of the kidney secretions were scanty and painful. Having used Doan's Kidney Pills heretofore, I again got a box and they quickly restored my kidneys to a normal condition."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Props., Buffalo, N. Y.

#### RUGGLES CAMPGROUNDS

Ruggles Campgrounds, July 29.—The result of the taking of the census is always a matter of interest to those who camp here from year to year. Interesting as it shows the increasing popularity of the Campmeeting, the great distance some come to attend, the large number of different places they come from, and the church affiliation of those who camp. It will be seen from the result below that the attendance is not confined to the Methodists; all denominations find it a place of spiritual uplift, as well as an enjoyable place to spend a vacation. We are just one big family—the Ruggles Campmeeting family; if you please. We come here from all directions to visit one another for ten days. It beats visiting in town or country either, for that matter. You don't have to spend car fare, burn up gasoline or drive the horse to visit; we are all here in a bunch. The total given below will be increased somewhat before the end of the week as many have engaged quarters at the hotel whose names we could not get, so that we are sure the attendance of campers will exceed 450. The census today shows 450 campers present. These come from seven different states, namely: Kentucky, Ohio, Indiana, Illinois, Missouri, Arkansas, and Pennsylvania. Sixty-four different cities, towns and villages are represented. There are 245 Methodists, 56 Disciples, 17 Presbyterians, 11 Baptists, 1 Newlight, and 100 not members of any church, 25 of the latter being children. To date there have been eighteen preachers here; they will be several more in the next few days. In addition to the above there are a few aristocratic dogs, and a parrot; also the lizards the boys turned loose are still circulating about the grounds, causing cold chills to chase up the spinal column of the timid ones located thereabouts. The memorial service was held this morning. Several former campers—sixteen—have passed over during the

past year. The following names were read: Revs. Thos. N. Handford, and Hird Hughes, Mrs. Kate Fountain, Rev. W. W. Hall, R. G. Arnold, Dr. W. Bowman, Mrs. Martha Cropper, Mrs. Fannie Ruggles, Miss Mary E. Robertson, Miss Elizabeth Hardyman, Lawrence Seerest, Agnes Gilliland, Mrs. Sarah Fields, Mrs. Cyrus Riddle, Thos. A. Davis, and Mrs. John Alexander. The memorial sermon was preached by the Rev. E. H. Hill of Vanceburg, Mo. Hill paid a touching tribute to Revs. Handford and Hughes, his brethren in the ministry. His sermon was one calculated to comfort all the bereaved, and to inspire all believers with hope for the future. At the close of the sermon, the sacrament of Our Lord's Supper was administered to about one hundred communicants, closing in a very appropriate manner one of the best services of the campmeeting.

An interesting feature of the memorial service was the reading of a letter of greeting from Father Northcott, lovingly referred to as the founder and father of Ruggles Campmeeting. We are going to presume on the space of your paper and give the letter, believing that many will be glad to read these words written by a man ninety-three years of age. The letter shows that his faculties are still clear and that he maintains a deep interest in the campmeeting. His letter follows: To The Worshipers at Ruggles Camp. Dear Fathers and Brethren:

I am truly sorry that I cannot enjoy with you the old time sacred pleasures of mingling with you in worship and social delights as I so often have done in the past. I am strongly attached to Ruggles Campmeeting, though many cords that bound me there have been broken by the will of God in taking our old time associates to higher and better enjoyments. Yet enough still lingers with you to make me wish that I could meet them again, at the “Throne of Grace” and indulge with the glorious hope of the blessed future life promised to God's dear children.

There is no abatement of my interest in the spiritual outcome of your services, both as it regards the refreshment of God's people with abundant showers of grace, and the genuine conversion of sinners. These two objects were paramount in the hearts of its early promoters, and has been also through its forty-one years. I am glad to believe that our superintendents and pastors will keep these objects in view in all their social contacts and public services. Nothing

should be allowed on these consecrated grounds whose tendency is to weaken, or to dissipate the practical effect of the divine messages spoken from the pulpit. Eternal verities depend on making those messages effectual. Let the word of God “have free course and be glorified.” Conversions should be many. Believers sanctified and all so FILLED WITH THE SPIRIT that returning to your various pastorates and homes, each individual, whether preacher or layman may be a center of evangelizing power and efficiency. May “The Great Head of His Church” be in assembly; in each cottage; in all the sermons, exhortations and prayers, and crown all your labors with a glorious victory. Please accept my brotherly greeting in the “Great Name.”

H. C. NORTHCOTT.

“It is sweet to be remembered.” Our friends back at the “office” have been very generous in sending us supplies to advertise our “dix” candidate. The “guys” will please accept thank. If they will just come out Sunday we will show them what a campmeeting is like, and incidentally they can help dispose of the large supply of chicken and country ham that seems almost indispensable. And then “the dear girls.” There isn't enough beans to go around. We would just like to turn our old friends “Felix” and “Steve” loose here for awhile. Come on “fellows,” the eating is fine.

Editor Daley, of the Flemingsburg Times-Democrat, headed an auto party who spent the day in camp. The general editor was an interested listener to the discussion of the Sunday observance question at the afternoon service, and edited us with some very appropriate remarks on the question. Mrs. Frank Hunsicker, and Miss Amy Daugh, of Maysville, and Misses Gertrude and Marie Holman, of Lockland, Ohio, spent a delightful day visiting the camp. They were guests at the Simons' cottage.

Mrs. George Bevard and Miss Maggie Linn Bevard of Springdale, are attending the meetings this week, and are guests of Mrs. C. C. Dogman. Rev. F. W. Harrop returned home today.

It is a source of satisfaction to the writer to know that these notes are not only read with interest by the campers, but by people far away. The following message on a post card was received a few days ago: Introduction omitted. Behar confined to my bed does not prevent me from thinking of Dear Old Ruggles. I read your first

article in today's paper from Ruggles, and I wanted you to know that a wee one away down here in Louisville will be looking forward with great eagerness from day to day for these interesting epistles that you send forth daily. With best regards, etc.

—Louisville, Ky.

Miss Flossie Jones, of Maysville, arrived today and is the pleasant guest of the Richardson cottage.

Miss Edith Bryant, of Maysville, is another addition to the host of campers.

Tomorrow at the “break of day” two wagons laden with human freight, and baskets full of dinner, will sail forth on a day's jaunt to the springs.

It is their intention to see Escanaba, Glen and Kirk's springs on their journey. It will be a fine trip.

Miss Nellie Tolle, of Normal, Ky., arrived this afternoon to camp a few days. She is a guest of Miss Mabel Tolle.

A great day for the children is planned for Saturday by their teacher, Mrs. Kretz. There will be a big demonstration, a parade and treat for the little folks. Unusual success has attended the work of Mrs. Kretz. The Lord is to be commended again for securing her for this important work. The morning prayer meetings continue to increase. It was led this morning by Rev. L. O. Curder.

### FARMERS' CHAUTAUQUA

Opens Sunday August 1 at Germantown for Three Days Interesting Meeting.

Everything is in readiness for the big farmers' chautauqua which opens Sunday at Germantown for a three days meeting and the interesting program which has been arranged forecasts an instructive and enjoyable meet.

Mr. A. M. Casey, county demonstrator and others interested with him in the welfare of the farmers, have left nothing undone to gather for this meet the best available talent, and there will be talks and lectures on every thing pertaining to successful farming, by men and women who have made a careful study of agricultural problems which coupled with years of actual practical experience places them amongst the most authoritative of farm lecturers whose talks while replete with instruction are easily understandable and intensely interesting.

As an added attraction the management has arranged for a high class musical organization from Cincinnati consisting of three ladies and one gentleman, who will render first class music during the chautauqua.

Not only will the farmers who take advantage of this chautauqua hear the best there is in farm lecturers but they will have the opportunity to hob nob not with each other and discuss among themselves the ways and means of making farming more profitable. Cooperation is the greatest of all powers and in getting together at such a meeting as this and interchanging ideas the farmers of each section learn something from their brothers of another section and in turn pass on the results of their own experience and every one has a pleasant time and is benefited.

Great interest has already been demonstrated in this chautauqua and all indications point to the largest gathering of farmers that this community has ever seen. Every one should be there and every one is assured a cordial welcome and a most pleasant three days, at Germantown on August 1, 2, 3.

**The World's Lowest Priced Knight Motored Car**

THIS announces the greatest achievement in the history of the automobile business.

Practically every royal and titled family in Europe owns one or more Knight motored cars.

The Willys-Knight has the same advantages and is just as efficient as those costly European Knight cars.

The Knight is the automobile motor that revolutionized the entire motor car industry of Europe.

The Knight type motor is the nearest approach to 100% efficiency.

As we build more cars in a single week than most European manufacturers build in a whole year, we are able to utilize every modern manufacturing economy.

The Daimler of England, the Panhard of France, the Mercedes of Germany, the Minerva of Belgium—in fact practically all of the costly European cars—are equipped with the famous Knight type motor.

This motor differs from other motors in that where all others deteriorate with use, this improves; to all others carbon is harmful, here it is beneficial; size for size it has more power.

That is why our price is so much less.

And these are the motor cars that cost from \$4,000 to \$8,000 each!

It has no noisy poppet valves; no noisy cams; no uncertain valve springs; no troublesome valves to grind; practically no wearing parts.

Have your demonstration at once. Immediate deliveries.
